Happy New Year, neighbors. 2024 had its share of challenges, and we send our thoughts to those of you who are still making home repairs because of storm damage last year.

I am once again so proud of all that HPNA has accomplished in the past year. I am happy to share that Holiday Park was recognized during last month's annual Mayor's Neighborhood Awards. We received a certificate for "Neighborhood Pride" for our hard work in enhancing the neighborhood with the new Free Little Library at Northwest Park. Additionally, Holiday Park was recognized for being "Wellness Champions," because we "practice being intentional with our health" by scheduling monthly walks. Hooray, Holiday Park!

For the past four years, I have also been thankful to have led the organization of the Halloween Golf Cart Parade; for two years, I have been a part of the Holiday (Christmas) parade organizing as well. The best part of this experience has been seeing how much my 6-year old loves watching the parades with his friends in our yard. But it is time for new volunteers to take over. Ideally, we will have an organizing committee for Halloween and a separate organizing committee for Christmas. If you are interested in keeping these traditions going, please be in touch. I am appreciative of the continuing support of these parades by our community partners: St. Pete. Parks and Rec. and St. Pete. Fire Rescue.

Having an active and engaged neighborhood association like ours is so key to fostering a sense of community and making improvements to the neighborhood. Further, after all of the storms and flooding issues of 2024, it's extra important that we remain informed and involved in our City and neighborhood. So, as we kick off our 2025 Membership Drive, HPNA hopes all 700+ homes in Holiday Park will take a moment to send in voluntary association dues.

With these funds, HPNA maintains our medians, presents beautification awards and holiday light winners, publishes newsletters like this one, delivers welcome baskets, plans social activities, and more.

We hope you enjoy reading in this newsletter about the many opportunities to connect and take part in your neighborhood. Finally, I send a huge thank you and hug to all of our dedicated, talented, generous, and caring volunteers for helping make Holiday Park such a great neighborhood.
