As we begin our 2024 Membership Drive, we invite you to be a part of making Holiday Park a great place to live, work and call home.

I am once again so proud of all that HPNA has accomplished in the last year. This past January, I was thankful to have had neighbors Michael Roger and Andy Spenik join me in attending the Mayor's Neighborhood Awards and Summit, where Holiday Park earned a Mayor's "Impact Award" for our monthly neighborhood walks. The City applauded the fact that these walks promote health in our community and are intergenerational, bringing together all age groups. Most importantly, the walks are fun, so if you haven't joined us yet, please walk and talk with us every 4th Saturday of the month!

Having an active and engaged neighborhood association like ours is so key to fostering a sense of community and making improvements to the neighborhood. So, as we kick off our 2024 Membership Drive, HPNA hopes all 700+ homes in Holiday Park will take a moment to send in voluntary association dues. With these funds, HPNA maintains our medians, presents beautification awards and holiday light winners, publishes newsletters like this one, delivers welcome baskets, plans social activities, and more. Speaking of the median, I know how pleased you are to see the completed repair and beautification of our median sign and landscaping, which has been a big and time-consuming project.

We hope you enjoy reading in this newsletter about the many opportunities to connect and take part in your neighborhood. In early March, we look forward to the 2nd Annual "Goods in the Hood" Neighborhood Garage and Craft Sale. Also in March, we will welcome to our General Meeting the Principal of Tyrone Middle School as well as School Board Member Caprice Edmond---join us. Finally, I send a huge thank you and hug to all of our dedicated, talented, generous, and caring volunteers for helping make Holiday Park such a great neighborhood.
